🌐 LANGUAGE SKILLS

English   I can understand and speak, but sometimes a bit slow

📄 CERTIFICATE

COMMENT

I skillful in C++ and C# language and I am fluent in Unreal engine. I am so interested in learning new programming languages like PHP, HTML, CSS, and Python and new things about making a game.
I am a freshman at Isfahan University. I like to work in a professional environment as a team member.
My main goal is to improve my skills.
